Who we are.....

Who are we.....

Westmanstown Gaels are one of the newest juvenile sections in Dublin 15, the club having been formed in 2004 when the Garda GAA Club opened its doors to the local community. Westmanstown Gaels is incorporated as the Juvenile Section of the Garda GAA Club and is a community based organisation, open to all.

The club's currently has in excess of three hundred members with hopes of continuing growth. We have a catchment area covering parts of North Lucan, Clonsilla and the new housing developments of Ongar and Hansfield. The Clubs members attend schools throughout the areas of Castleknock, Clonsilla, and Lucan with our Games Promotion Officer (GPO) working closely with schools in these areas.

During each sporting year we provide kids camps at Easter and Summer as many other GAA clubs have done. However, we have attracted some of the **highest attendance figures in the Dublin** area made up of existing members but more significantly many new persons not just to Westmanstown Gaels but to GAA. For a relatively young club we are making an impact.

It is a very exciting time for our club at the moment as we reached the milestone of our 10th anniversary in September of this year. The progress of our Juvenile teams has been beyond expectations and it is essential that we provide for them and their continued development.

Advertising Hoardings

Hoardings will be posted on the railings surrounding the pitch (please see photograph below) providing the following benefits;

- The hoardings will be highly visible to club members, visiting teams and supporters over 200 children train at the club each week
- A weekly nursery operates on Saturday mornings with in excess of 50 children (upto8 years old) and their parents attending
- Although the facilities are primarily used by members of Westmanstown Gaels and the Garda GAA club other parties make use of our facilities including;
 - Senior panels from Dublin, Mayo and Galway
 - International Rules games;
 - various Garda organisations

It is proposed that the hoardings will cost from €750 per year for a sign of approximately 2metres in length and 1metre high .The price also factors in the cost of making and erection of the sign. We are asking our partners to agree to advertise for a minimum of three years.

All of the funding raised will be reinvested in the running of the club and its development over the coming years.
