

Leadership

From the Bootcamp to the Ball –
Developing Leadership and Team Work.

Dermot Earley

Leadership Definitions

“The art of influencing a body of people to follow a certain course of action”.

“Leadership is the art of influencing and directing people in such a way as to obtain their willing obedience, confidence, respect and loyal co-operation to accomplish the mission”.

Leadership Definitions

“The capacity and the will to rally people to a common purpose and the character which will inspire confidence”.

“Leadership is the ability to make people want to do things they would NOT ordinarily think of doing: and the ability to make people accept as their own the object of the enterprise of which they are a part”.

Now that I'm the boss
what am I supposed to
actually do?

You're supposed to
make superficial
statements about how
good the team is, then
hope something happens
and we win a few
games!

Its called leadership boss!

Make it so!

Its called leadership boss!
