Mouthguards for under-age players starting Jan 1st

Parents and players should note that it will mandatory to use a mouthguard in all Gaelic football matches and training sessions from January 1st 2013 (for all age grades up to and including minor) and at U21 and Adult level from January 1st 2014. The following GAA web page has information on this, including some cost examples:

Valley Rovers players may have the option to purchase custom-made mouthguards from a dentist at a reduced price. More details [HERE](#) please contact your team mentors if interested in this.

This information can be accessed via the icon on the right hand side of the website homepage for the next few weeks.

Valley Rovers Scrap Metal Collection will take place in Brinny on Saturday the 12th and Sunday the 13th of January 2013.

While you're off for the Christmas Holidays why not have a look around your yard, garage, outhouse, attic etc for any scrap that might be of no use to you but of benefit to Valley Rovers.

Let's tidy up our homes and help the Rovers
