1. CHILD PROTECTION POLICY STATEMENT

Children are the most important members in our club.

"Cumann Lúthchleas Gael believes that a youth centred approach should be adopted by everyone involved in the promotion and development of Gaelic games at underage level. The

greater the sense of achievement, fun and fair play that young people experience when participating in Gaelic games, the more they will enjoy their involvement and strive to develop their True Potential”

We at **Cobh GAA Club** aim to promote the participation of children in our club by creating a culture of safety and fun.

“Children have the right to be protected from all forms of violence. They must be kept safe from harm and they must be given proper care by those looking after them” (Article 19 : UN Convention on the Rights of the Child)

All children’s sport should be conducted in an atmosphere of fair play. Ireland has adopted and is committed to the European Code of Sport Ethics which defines fair play as:

“much more than playing within the rules. It incorporates the concepts of friendship, respect for others and always playing within the right spirit. Fair play is defined as a way of thinking, not just a way of behaving. It incorporates issues concerned with the elimination of cheating, gamesmanship, doping, violence (both physical and verbal), exploitation, unequal opportunities, excessive commercialism and corruption.” (European Sports Charter and Code of Ethics, Council of Europe, 1993)

The Children Order (1995) is based on a clear and consistent set of principles designed with the common aim of promoting the welfare of children. Children have the right to be safe. All coaches should ensure that this fundamental principle takes precedent over all other considerations.

All club members, through their actions reflect the principles and guidelines contained in the ‘Code of Ethics & Good Practice for Children’s Sport in Ireland.’ We promote the aims and ideals of our Association, adhere to its policy and nurture our Gaelic culture.
