Coaches from Overseas

The UK is a great place to coach, as a result we get requests on a regular basis to validate and recognise awards gained from overseas authorities. We operate a system of conversion and mapping of overseas awards to UK standards. To do this, you will need to provide the following documents and details:

1. Full contact details; name and address.
2. Copies of certificates and awards (translated into English by an official translator where necessary).
3. A curriculum vitae listing all relevant coaching experience.
4. A summary of the content of your diploma or coaching course.
5. Two separate letters of support showing your suitability to work within Basketball

The fee is £50 payable in advance. The fee is payable regardless of the outcome of the process. If the application is successful, the coach will be awarded a UKCC equivalent qualification on a probationary period of one year. The coach will be expected to attend minimum of one CPD session within the probation period.

Send all documents to coaching@basketball-scotland.org and to arrange payment.
