Child Welfare Policy

Code of Practice

The guidelines in this document are based on the national guidelines as outlined in the following documents.

Code of Ethics and Good Practice for Children's Sport, Irish Sports Council, 2000.

Children First: National Guidelines for the Protection and Welfare of Children, Dept. of Health & Children 1999, Revised 2011

Our Duty to Care, Dept. of Health & Children 2002

Football Association of Ireland Code of Ethics & Best Practice

Carrigaline United AFC Mission Statement

The work of CUAFC is based on the following principles that will guide the development of sport for young people in this club. Children and young peoples experience of soccer should be guided by what is best for the child or young person. The stages of development and the ability of the child should guide the types of activity provided within the club. Adults will need to have a basic understanding of the needs of young people, including physical, emotional and personal.

Integrity in relationships:

Adults interacting with young people in soccer should do so with integrity and respect for the child. All adult actions in soccer should be guided by what is best for the child and in the context of quality, open working relationships. Verbal, physical, emotional or sexual abuse of any kind is unacceptable within soccer.

Quality atmosphere and ethos

Soccer for young people should be conducted in a safe, positive and encouraging atmosphere. A child-centred ethos will help to ensure that competition and specialisation are kept in their appropriate place. Too often unhealthy competitive demands are placed on children too early and results in excessive levels of pressure on them and as a consequence, high levels of dropout from sport.

Equality

All children should be treated in an equitable and fair manner regardless of age, ability, sex, religion, social and ethnic background or political persuasion. Children with disability should be involved in sports activities in an integrated way, thus allowing them to participate to their potential alongside other children.

Fair Play:

Fair play is the guiding principle of the Irish Sports Councils Code of Ethics and Good Practice for Children's Sport.

It states that, "all children's sport should be conducted in an atmosphere of fair play". Ireland has contributed and is committed to the European Code of Sports Ethics, which defines fair play as: "much more than playing within the rules".

It incorporates the concepts of friendship, respect for others and always playing with the right spirit. Fair play is defined as a way of thinking, not just behaving. It incorporates issues concerned with the elimination of opportunities, excessive commercialisation and corruption.

(European Sports Charter and Code of Ethics, Council of Europe, 1993).

Competition

A balanced approach to competition can make a significant contribution to the development of young people, while at the same time providing fun, enjoyment and satisfaction. Coaches/managers should aim to put the welfare of the child first and competitive standards second. A child-centred approach will help to ensure that competition and specialisation are kept in their appropriate place.

CUAFC

Child Protection and Welfare Policy Statement

Introduction.

CUAFC is committed to ensuring that all necessary steps will be taken to protect and safeguard the welfare of children and young people who participate in soccer. This policy document clearly demonstrates the importance placed by CUAFC on the protection and safety of children and young people who participate in soccer.

All children and young people¹ who participate in soccer should be able to do so in a safe and enjoyable environment. While doing so they should be protected from any form of abuse be it physical, emotional, sexual, neglect or bullying. The responsibility for protecting children lies with all adults involved in this club and in soccer in general.

CUAFC recognises and accepts its responsibility to safeguard the welfare of all children and young people by protecting them from physical, emotional or sexual harm and from neglect or bullying.

These clear policies, practices and procedures in addition to relevant training programmes will ensure that everybody in CUAFC knows exactly what is expected of them in relation to protecting children and young people within soccer.

It is vital that children and young people who participate in CUAFC activities are able to do so in a safe, enjoyable and quality environment.

In pursuit of this goal CUAFC will:

- Advise all members of CUAFC (coaches, players, parents and spectators) of their responsibilities in relation to the welfare and protection of children and young people who participate in soccer.
- Operate within the recommended Football Association of Ireland codes of conduct and best practice guidelines.
- Appoint a Club Children's Officer in line with Football Association of Ireland requirements.
- Provide a child protection and welfare module in staff induction and development programmes

¹ Children are defined in Irish Law as being any person under 18 years of age.

The aims of CUAFC Child Protection Policy are:

- To develop a positive and pro-active position in order to best protect all children and young people who participate in soccer, in order for them to do so in a safe and enjoyable environment.
- To provide appropriate guidance and advice to all club members (players, coaches, volunteers, spectators and parents) in all matters concerning child welfare and protection.
- To demonstrate best practice in the area of child welfare and protection.
- To promote ethics and best practice standards throughout soccer.

The key principles underpinning this Policy are that:

- The welfare of the child is the first and paramount consideration.
- All children and young people have a right to be protected from abuse of any kind regardless of their age, gender, disability, culture, language, racial origin, religious beliefs or sexual identity.
- All suspicions and allegations of abuse/poor practice will be taken seriously and responded to swiftly and appropriately. It is essential that we work in partnership with children and young people and their parents/carers. The HSE has a statutory responsibility to safeguard and protect the welfare of children and CUAFC is committed to cooperating fully with them in accordance with procedures as outlined in “Children First” National Guidelines for the Protection and Welfare of Children.
- CUAFC will cooperate fully with the Football Association of Ireland National Children’s Officer, Gardai and Health Boards in any investigation of child abuse in soccer.

The Football Association of Ireland’s regulations in regard to child welfare and protection are defined in the rulebook as:

RULE 71. THE PROTECTION AND WELFARE OF CHILDREN

(a) In line with legislation and Government Guidelines (The Child Care Act 1991 and the Protection for Persons Reporting Abuse Act 1998) in relation to child protection and welfare, it is mandatory that all participants, clubs, leagues, divisional associations and other football bodies shall be bound by the FAI recommended codes of conduct and best practice guidelines

(b) Any act, statement, conduct or other matter that harms a child or children, or poses or may pose a risk of harm to a child or children, shall constitute behaviour which is improper and brings the game into disrepute.

(c) Breaches shall become a disciplinary offence. Any member issued with a ban from football activity shall have their name notified to all League Secretaries for onward dissemination to all Club Secretaries. The notification shall state the name of the individual and the fact a ban has been issued.

(d) Any participant who is the subject of a Statutory Inquiry in relation to any child welfare concern must stand down from all football activities pending the outcome of that inquiry and any subsequent internal disciplinary proceedings.

(e) Any member convicted of an offence by the Irish Courts or Courts of any other jurisdiction involving the welfare of children shall be automatically banned from membership of the Association. For the avoidance of doubt no disciplinary or other hearing shall be necessary in order to implement this automatic ban.

RULE 95. PROTECTION AND WELFARE OF CHILDREN

1. All participants, clubs, leagues, divisional associations and other football bodies shall be bound by the FAI rules, codes of conduct and guidelines governing the protection and welfare of children, and breaches of such rules, codes and guidelines shall be subject to disciplinary sanction.

2. The disciplinary body may impose any sanction it deems appropriate.

3. Any act, statement, conduct or other matter that harms a child or children, or poses or may pose a risk of harm to a child or children, shall constitute behaviour that is improper and brings the game into disrepute.

4. Any participant who is the subject of a statutory inquiry in relation to any child welfare concern must stand down from all football activities pending the outcome of that inquiry and any subsequent internal disciplinary proceedings.

CUAFC through confirming this policy document has demonstrated its commitment to ensuring that children and young people can participate in all soccer activities with their safety and welfare being of paramount importance.

It is essential that this document represents a process of continual improvement in the area of child protection and welfare in soccer.

It is the responsibility of all adults involved in soccer to actively promote safe and best practice standards whilst being ever vigilant and aware of their responsibilities to children and young people in their care.

Procedure for dealing with Child Abuse Concerns or Allegations

It is important to note that the investigation of suspected child abuse is the responsibility of the Statutory Authorities (Gardai, HSE) and should not be undertaken by Children's Officers or any other Club/League official. All allegations of child abuse must be referred to the Statutory Authorities.

When an allegation is received it should be assessed promptly and carefully. It will be necessary to decide whether a formal report should be made to the HSE and this decision should be based on reasonable grounds for concern.

The following examples would constitute reasonable grounds for concern:

- (i) a specific indication from a child that(s)he was abused;
- (ii) a statement from a person who witnessed abuse;
- (iii) an illness, injury or behaviour consistent with abuse;
- (iv) a symptom which may not in itself be totally consistent with abuse, but which is support by corroborative evidence of deliberate harm or negligence;
- (v) consistent signs of neglect over a period of time.

Ref. Children First

Step One

Any allegation of abuse must in the first instance be brought to the attention of the Chairperson of the Club. Should the Chairperson be unsure whether reasonable grounds for concern exist he/she can informally consult with the local HSE duty social worker. He/she will be advised whether or not the matter requires a formal report.

Coaches/volunteers may be subjected to erroneous or malicious allegations. Therefore, any allegation of abuse should be dealt with sensitively and appropriate support should be provided for staff/volunteers including counselling where necessary.

Step Two

Should CUAFC become aware of an allegation of abuse of a child or children by a coach/volunteer during the execution of that coaches/volunteers duties, the Chairman will privately inform the coach/volunteer of the following:

- ❖ the fact that the allegation has been made against him/her;
- ❖ the nature of the allegation.

Step Three

The coach/volunteer should be afforded an opportunity to respond. The Chairman will note the response and pass on this information when making the formal report to the HSE.

The report to the HSE should contain observations, dates, times, locations and contexts in which the incident occurred or suspicion was aroused, together with any other relevant information.

In cases of emergency, where a child appears to be at immediate and serious risk and the Chairperson is unable to contact a duty social worker, the Gardai shall be contacted.

Under no circumstances will a child be left in a dangerous situation pending intervention by the Statutory Authorities

Step Four

Our Chairperson, if reporting suspected or actual child abuse to the Statutory Authorities will first inform the family of their intention to make such a report, unless doing so would endanger the child or undermine any statutory investigation.

Step Five

All subsequent actions following an allegation of abuse against a coach/volunteer will be taken in consultation with the HSE and An Garda Síochána. An immediate meeting will be sought with these two agencies for this purpose. The Football Association of Ireland National Children's Officer is also available to provide support and advice.

Step Six

Under Football Association of Ireland rules, any coach/volunteer/manager who is the subject of a statutory investigation into alleged child abuse, is required to stand down from all soccer activities until the investigation is completed. Therefore the FAI National Children's Officer must be informed immediately of any formal notification to the Statutory Authorities.

When a person is asked to stand down it should be made clear that it is only a precautionary measure in keeping with standard procedures/guidelines and will not prejudice any later disciplinary proceedings.

The coach/volunteer concerned should be advised that the procedures being undertaken are in accordance with statutory requirements. He or she should be treated with respect and fairness, and also be assured that all information will be dealt with in a sensitive and confidential manner.

Step Seven

The Club will carefully consider the outcome of the statutory investigation and will then assess if there are any outstanding disciplinary issues in relation to their internal rules or infringements of the Football Association of Ireland best practice guidelines. It must be remembered that the fact that the alleged abuser has not been prosecuted or been found guilty does not mean that they are appropriate to work with young people in the future.

Internal Club disciplinary proceedings can only be initiated after the Statutory Authorities have completed theirs.

2.4 Club Disciplinary, Complaints and Appeals Procedure (Covers all matters other than suspected child abuse which has to be referred to the Statutory Authorities See 10.6)

While many concerns can be dealt with in an informal manner to the satisfaction of all concerned, it is advisable that detailed records are maintained in respect of all complaints and that all parties are advised of the formal complaints and appeals procedure. All reasonable efforts to resolve matters should be exhausted at local level before accessing the appeals procedure.

Step One

Any person who has a complaint or concern should bring it to the attention of the secretary under the relevant rules of the body concerned.

The complaint or concern should be in writing and should outline all relevant details and other parties involved in line with procedure.

Step Two

The complaint or concern should then be brought to the attention of the appropriate person in line with club rules who will convene the disciplinary committee/panel (best practice would advise that this committee/panel would consist of three members) **unless the complaint or concern relates to a child abuse matter or criminal offence that meets criteria for formal reporting to the statutory authorities.**

Where there are potential contentious issues, due consideration should be given to ensure the independence of the disciplinary committee/panel and therefore, it is advisable that members of the disciplinary committee/panel should not be Offices/Directors of the body concerned as lack of independence is often cited as a ground for appeal.

(The Chairperson of the Club should not sit on the Disciplinary Committee)

Step Three

The disciplinary committee/panel should furnish any participant with details of the complaint being made against them and afford them the opportunity of providing a response either verbally or in writing. In the event of a complaint against a child, the parents/guardians should be informed and advised of the process.

Step Four

The disciplinary committee/panel should then hear the case of all parties involved and decide if a rule or regulation has been infringed.

Step Five

The disciplinary committee/panel should then inform in writing those involved of their decision and any sanctions if any that are to be imposed. This notification should be in writing, setting out the reasons for the sanction. (Written notification should be forwarded to parents if the proceedings involve a participant under eighteen years of age)

Step Six

Any party unhappy with the findings of the disciplinary committee/panel can appeal the decision in writing to their respective superior body as per rules. Clubs, leagues, divisional associations and other football bodies should review their rules to ensure they contain a provision that facilitates an appeals procedure in this respect.

Step Seven

The appeal body should then rehear the case and all evidence, should be considered. The appeals body should have the power to uphold or reject the appeal or to vary, alter or set aside any sanction imposed by the disciplinary committee/panel.

Written confidential records in relation to disciplinary proceedings should be safely and confidentially kept on file (procedures should clearly define the possession of such records in the event of election of new officers)

Anonymous Complaints

Anonymous complaints can be difficult to deal with, however they cannot be ignored. All complaints relating to inappropriate behaviour/poor practice should be brought to the attention of the Chairperson of the Club. In all cases the safety and welfare of the child/children is paramount.

All complaints should be checked out and handled in a confidential manner. It is important to record all such complaints and actions taken. Specific advice on dealing with anonymous complaints can be got from your local HSE duty social worker or alternatively the Football Association of Ireland National Children's Officer.

Rumours

Rumours should not be allowed hang in the air. Any rumour/s relating to inappropriate behaviour/s circulating in the club should be brought to the attention to the Chairperson and checked out promptly. All ensuing information should be handled confidentially and with sensitivity.

Confidentiality

Confidentiality is about managing information in a respectful, professional and purposeful manner. It is important that the rights of both the child and the person about whom the complaint has been made are protected. Therefore, appropriate confidentiality will be maintained in respect of all issues and people involved in concerns about the welfare of a child or bad practice within the club.

The following points will be borne in mind:

- A guarantee of confidentiality or undertakings regarding secrecy cannot be given, as the welfare of the child will supersede all other considerations
- All information should be treated in a careful and sensitive manner and should only be discussed with those who need to know
- Information will be conveyed to the parents/guardians of a child about whom there are concerns in a sensitive way. Giving information to others on a "need to know" basis for the protection of a child is not a breach of confidentiality

CUAFC COACH / VOLUNTEER RECRUITMENT POLICY

CUAFC will take all reasonable steps to ensure that coaches, managers and volunteers are suitable to work with children and young people.

All appointments are subject to approval and ratification by the committee of CUAFC

All coaches, managers and volunteers will be subject to a sign up procedure in which they undertake to abide by CUAFC rules and FAI codes of conduct and good practice. (Appropriate confidentiality will be maintained in regard to all application and reference forms)

Once recruited, CUAFC will make all efforts to support and manage coaches, managers and volunteers ensuring that no person is expected to work alone.

Required Mandatory Documentation

All coaches/volunteers working, in any capacity, with underage players must complete and submit the following documentation:

1. A CUAFC Volunteer / Coach Self Declaration Form see Appendix

The names and contact details of two referees who support your application will be required. Written references will be verified and kept on file.

The form should be submitted to the club Child Welfare Officer, Mr Chris Hickey or the Chairperson, Mr Willie Walsh.

2. A copy of a current Garda Vetting Letter of Clearance

This document should be forwarded to the club Child Welfare Officer, Mr Chris Hickey.

CUAFC Coach, Manager, Volunteer Education and Support Policy

The Committee of CUAFC are indebted to our coaches, managers and volunteers who give freely of their valuable time in providing a stimulating, challenging, supportive and fun soccer experience to children and young people in the Club.

The Committee will endeavour to support these coaches, managers and volunteers in their work by providing an environment where all activities are carried out in a safe, fun manner at all times conducted in the spirit of “Fair Play”.

CUAFC will make all efforts to assist all new volunteers, managers, coaches in whatever way they can.

CUAFC will provide an induction pack to all new volunteers/coaches which will familiarise them with Club rules, policies and procedures and expected codes of behaviour for children, coaches and parents/spectators.

The Committee of CUAFC recognise the value of having appropriately qualified personnel in the club, and therefore will endeavour to support any of our coaches in the coach education process.

At no time will any coach, manager, volunteer be expected to work or deal with any problem alone and they will be assured of Committee assistance and support at all times.

Also, coaches, managers and volunteers are encouraged to share ideas, expertise and support other club personnel in any way they can.

CUAFC Safety Policy

All coaches/managers in CUAFC have a responsibility to ensure the safety of the players with whom they work as far as possible within the limits of their control. Therefore coaches should seek to create a safe and enjoyable environment in which to play and train.

In this respect:

Adequate supervision must be maintained at all times. Best practice advice would advocate adult:child ratios of 2 Leaders to every 16 children (1:8), but no coach, manager or volunteer works alone.

- Regular safety checks should be carried out in relation to premises, training facilities and equipment. Ensure that the FAI Goalpost safety policy is strictly adhered to at all times
- CUAFC safety rules should be adhered to at all times
- Parents/guardians should be informed of the starting and finishing times of training sessions and matches.
- A first aid kit should be available at all training sessions and matches and injuries should be recorded, with a note of action taken in relation to each one. Never play injured players.
- Parents/Guardians should be notified of injuries/illness that their children incur while participating in any CUAFC soccer activity. An Incident/Accident form should be filled out in such cases. **See Appendix for form.**
- Records of attendance should be maintained

CUAFC Substance Abuse Policy

In CUAFC the use of drugs, alcohol and tobacco shall be actively discouraged as being incompatible with a healthy approach to sporting activity.

Coaches/managers shall not smoke when taking a session or drink alcohol before taking a session.

In relation to our under-age teams CUAFC shall endeavour to organise receptions and celebrations in a nonalcoholic environment and in a manner that is suitable for the age group concerned.

Where this is not possible, the Club will comply with the **Football Association of Ireland directive that under no circumstances whatsoever can any person under the age of 18 years consume alcohol and any and all appropriate steps should be taken to ensure that this policy is strictly adhered to.**

Our coaches/managers/committee shall act as role models for appropriate behaviour and refrain from drinking alcohol at such functions

CUAFC Club Children's Officer

The appointment of Club Children's Officers is an essential element in the creation of a quality atmosphere in any club. They act as a resource to members with regard to children's issues and also ensure that children have a voice in the running of the club and can freely talk of their experiences.

Government guidelines advise that a children's officer should be appointed by all clubs and this should be done in accordance with recommended selection and recruitment procedures. The appointment of this person should be carried out in consultation with juvenile members and their parent/guardians.

The League/Club Children's Officer should have the following functions:

- To promote the Code of Ethics and Good Practice
- To influence policy and practice and to prioritise children's needs
- To ensure that children know how and whom they can report their concerns to within the club. Information disclosed by a child should be dealt with in accordance with the Department of Health and Children's Guidelines "*Children First*"
- To encourage the participation of parents/guardians in club activities
- To co-operate with parents to ensure that each child enjoys his/her participation in soccer
- To act as a resource with regard to best practice in children's soccer
- To report regularly to the Club Management Committee
- To monitor changes in membership and follow up any unusual dropout, absenteeism or club transfers by children or coach/volunteers

Club/League Children's Officers do not have the responsibility of investigating or validating child protection concerns within the club and have no counselling or therapeutic role. This responsibility lies with the HSE and Gardai.

CUAFC have appointed Chris Hickey as our Child Welfare Officer and he can be contacted at 086-8101477 or email: hickeychris.chris@gmail.com

CUAFC

Guidance on the Use of Photographic and Filming Equipment

Many people use cameras and video equipment at soccer activities and the vast majority, do so for perfectly legitimate reasons. However there is evidence that people have used sporting events to take inappropriate photographs and video footage of children and young people in vulnerable positions.

Carrigaline United AFC has adopted a policy in relation to the use of images of players on their websites and in other publications.

Where possible we will try to use models or illustrations when promoting an activity and avoid the use of the first name and surname of individuals in a photograph. This reduces the risk of inappropriate, unsolicited attention from people within and outside the sport.

Rules to guide use of photography:

- If the player is named, avoid using their photograph.
- If a photograph is used, avoid naming the player.
- Ask for the player's/parent's permission to use their image. This ensures that they are aware of the way the image is to be used to represent the sport.
- A player's club registration form will have a consent section for the appropriate club use of photographic and video images.
- Only use images of players in suitable dress to reduce the risk of inappropriate use. The content of the photograph should focus on the activity not on a particular child

Amateur photographers/film/video operators wishing to record an event or practice session should seek permission/accreditation with either the club committee or the children's officer or the team manager/coach or the event organiser of the session. CUAFC will display the following information to inform spectators of the policy:

“In line with the recommendation in the Carrigaline United AFC Code of Conduct, the committee of CUAFC request that any person wishing to engage in any videoing or photography should obtain permission from the club and register their details with the club.

Children and young people should only be photographed or filmed with their permission and/or the permission of their parents/guardian”

Any club committee sanctioned photography or videoing of events where other clubs are involved, such as matches, blitzes etc, must also obtain permission from an appropriate representative from the other club or organisation.

When commissioning professional photographers or inviting the press to an activity or event we will aim to ensure they are clear about our expectations of them in relation to child protection.

Professional photographers/film/video operators wishing to record an event or practice session should seek accreditation with the club committee or children's officer or event organiser/team manager by producing their professional identification for the details to be recorded.

We will then:

- Provide a clear brief about what is considered appropriate in terms of content and behaviour
- Not allow unsupervised access to players or one to one photo sessions at events
- Not approve/allow photo sessions outside the events or at an player's home

Videoing as a coaching aid: Video equipment can be used as a legitimate coaching aid. However, permission should first be obtained from the player and the player's parent/carer.

Clubs should also be aware of the dangers of permitting camera phones in dressing rooms and should apply appropriate safety rules.

Anyone concerned about any photography taking place at events/matches or training sessions should bring their concerns to the attention of the club committee, team manager/coach, children's officer.

Mobile Phone Policy

Mobile phones are often given to children for security, enabling parents to keep in touch and make sure they are safe. Young people value their phones highly as it offers them a sense of independence. In addition mobile phones allow quick and easy contact, which can make a safe and efficient way to carry out club business. However, such technology has also allowed an increase in direct personal contact with young people, in some cases used to cross personal boundaries and cause harm to young people. Therefore, we need to encourage responsible and secure use of mobile phones by adults and young people.

Therefore club personnel should advise children:

- If you receive an offensive photo, email or message, do not reply, save it, make a note of times and dates and tell a parent or children's officer/designated person within the club.
- Be careful about who you give your phone number to and don't respond to unfamiliar numbers
- Change your phone number in cases of bullying or harassment
- Don't use the phone in certain locations; inappropriate use of your camera phone may cause upset or offence to another person, e.g. changing rooms
- Treat your phone as you would any other valuable item so that you guard against theft

As a coach/manager remember:

- Use only group texts for communication among players and teams and inform parents of this at the start of the season
- It is not appropriate to have constant communication for individual players

Don't use the phone in certain locations; inappropriate use of your camera phone may cause upset or offence to another person, e.g. changing rooms

CUAFC Travelling Guidelines

When travelling with young people coaches/volunteers of CUAFC should:

- Ensure that there is adequate insurance cover
- Not carry more than the permitted number of passengers
- Ensure the use of safety belts
- Keep to the rules of the road
- Avoid being alone with one player; if with one player you could: put all passengers in the back seat, drop off/pick up at central locations, get parental permission for transporting children on a regular basis, and clearly state times of pick up and drop off.

When trips or tours are organised by the club a CUAFC Trip/Medical Consent Form should be filled in by the participating player and parents/guardian.

See Appendix for form.

CUAFC Touching Guidelines

All managers/volunteers of CUAFC are advised that:

Any necessary physical contact should be in response to the needs of the child and not the adult

It should be in an open environment with the permission and full understanding of the player

It should be determined by the age and developmental stage of the player. You should not anything that a child can do for him/herself

Coaches should not treat injuries out of sight of others. Use a "Two-Deep" (two personnel, or two players) supervision system. Only personnel who are qualified in administering First Aid or treating sports injuries should attempt to treat an injury.

The comfort level and dignity of the player should always be the priority. Example: Only uncover the injured area, or cover private areas of the athlete's body.

Any doubts of a medical nature should be passed on to a suitably qualified medical person. Coaches should not play injured players.

Always complete an Incident/Accident report form.

Comforting/congratulating players is an important part of the relationship between coaches and players.

Guidelines for this type of touch are:

Limit touching to "safe" areas, such as hand-to-shoulder. It should not involve touching genital area, buttocks, breasts, or mouths.

Make your intention to congratulate or comfort clear to the player.

Get permission from the player before embracing them - remember that personnel are in the position of power.

Respect a players discomfort or rejection of physical contact.

Be sure that touching occurs only when others are present.

Avoid unnecessary physical contact and never engage in inappropriate touching

CUAFC Guidance on the use of Sanctions

Discipline in Soccer

Discipline in soccer should always be positive in focus, providing the structures and rules that allow players to set their own goals and strive for them. It should encourage players to become more responsible for themselves and their actions and therefore more independent.

Discipline should be a positive reinforcement for effort. It should encourage the development of emotional and social skills as well as skills in soccer. Players have to be helped to become responsible for the decisions and choices they make within soccer, particularly when it is likely to make a difference between playing fairly or unfairly.

There is no place in soccer for fighting, bullying, over aggressive or dangerous behaviour.

At all times, players should treat others in a respectful manner. They should never bully, interfere with or take unfair advantage of others.

The use of sanctions is an important element in the maintenance of discipline. However Coaches/Managers/Volunteers and Administrators should have a clear understanding of where and when particular sanctions are appropriate.

It should be remembered that effectively controlled organisations and successful coaches/managers/volunteers are characterised by the sparing use of sanctions. The age and developmental stage of the child should be taken into account when using sanctions.

Sanctions should always be fair, consistent and applied evenly, and in the case of a persistent offence, should be progressively applied.

The following steps are suggested:

- Rules should be clearly stated and agreed
- A warning should be given if a rule is broken
- A sanction (use of time out for example) should be applied if a rule is broken for a second time

- If a rule is broken three or more times, the child should be spoken to and parents/guardians involved if necessary
- Sanctions should only be used in a corrective way that is intended to help children improve both now and in the future. They should never be used in retaliation or to make coach/manager/volunteer feel better or more powerful
- When violations of the team rules or other misbehaviours occur, sanctions should always be applied in an impartial and fair manner
- Sanctions should never be used as threats. If a rule is broken, the appropriate sanction/s should be implemented consistently, fairly and firmly
- Sanctions should not be applied if the coach/manager/volunteer is not comfortable with them. If an appropriate action cannot be devised immediately, the child should be told that the matter will be dealt with later, at a specified time and as soon as is possible
- Once a sanction/s has been imposed, it is important to make the child feel he/she is a valued member of the team again
- A child should be helped, to understand if necessary why sanction/s are imposed
- A child should not be sanctioned for making errors whilst playing soccer
- Physical activity (e.g. running laps or doing push ups) should not be used as a sanction as to do so may cause a child to resent physical activity which is something that he/she should learn to enjoy throughout his/her life. Remember Soccer has to be Fun if participants are to continue playing
- Sanctions should be used sparingly. Constant criticism and sanctioning can cause participants to turn away from Soccer

Adapted from the Irish Sports Councils Code of Ethics & Good Practice for Children's Sport (2005)

CUAFC

Code of Conduct for Parents/Spectators

- Remember that although children play organised soccer they are not miniature professionals. Don't place excessive pressure on children to perform to unrealistically high expectations. Children play soccer to develop their skills, to have fun and enjoy the game.
- Be on your best behaviour and lead by example. The behaviour of a team's supporters will often be remembered long after the result of the game. Be remembered for the right reasons.
- Applaud good play, sportsmanship and best effort by the visiting team as well as your own.
- Welcome and respect all your team's opponents. Without them there would be no match.
- Condemn the use of violence or overly aggressive behaviour in all forms at every opportunity.
- Verbal abuse of players, match officials or opposing supporters cannot be accepted in any shape or form. Players or match officials should never be regarded as fair targets for ignorant or abusive behaviour.

CUAFC

Players Code of Conduct

Children in CUAFC are entitled to:

- Be safe
- Be treated with dignity, sensitivity and respect
- Participate in soccer on an equal basis, appropriate to their ability and stage of development.

CUAFC have decided that all players are entitled to a minimum playing per match as suggested in the FAI Development Plan 2015. U6 to U9 -75% of match time, U10 to U11 - 50% of match time, U12 to U16 - 25% to 50% of match time.

- The criteria for team selection should be clearly defined by each team's management at the beginning of each season.
- Be happy, have fun and enjoy soccer
- Make a complaint in an appropriate way and have it dealt with through a proper and effective complaints procedure
- Be afforded appropriate confidentiality
- Be listened to and to be believed
- Have a voice in the running of the club

Children should also be encouraged to realise that they also have responsibilities to treat other children, fellow players, coaches and volunteers with the same degree of fairness and respect.

In this regard children in CUAFC should undertake to:

- play fairly, do their best and have fun
- be on their best behaviour at all times
- abide by all club rules
- make high standards of Fair Play the standard others want to follow
- respect opponents, they are not the enemy, they are partners in a sporting event
- shake hands before and after the match, whoever wins

- give opponents a hand if they are injured, put the ball out of play so they can get attention
- accept apologies from opponents when they are offered
- respect fellow team members and support them both when they do well and when things go wrong
- treat players from minority groups with the same respect you show other people
- be modest in victory and be gracious in defeat- ***“Be A Sport”***
- approach the club Children’s Officer with any questions or concerns they might have. Coaches and parents should encourage children to speak out and support them in doing so

Children in CUAFC should not:

- cheat
- use abusive language, or argue with, the referee, officials, team mates or opponents
- use violence, use physical contact only when it is allowed within the rules
- bully
- tell lies about adults or other children
- spread rumours
- take banned substances to improve performance
- keep secrets about any person who may have caused them harm
- behave in any manner that may bring the name of CUAFC into disrepute

In CUAFC we want children in CUAFC to have fun and develop skills in a safe and ***Fair Play*** environment where standards of behaviour are just as important as winning.

We recognise that competition and winning is an important goal, but winning at all costs does not meet the needs of young players.

CUAFC are aware that recent research would suggest that increasing numbers of children leave sport between the ages of eight and thirteen. A number of the most common reasons given were; that sport was no longer fun, they did not get to play and overemphasis on winning.

Therefore we have to make every effort to ensure that we keep a balanced approach to competition, make sure all players get a chance to play and strive to keep the fun in soccer.

Making sport fun.

In promoting “Sport for Fun” we in CUAFC will insist on:

- Encouraging participation and fun
- Promoting the development of skills as opposed to winning at all costs
- Ensure a minimum playing time in accordance with the FAI Development Plan, 2015.
U6 to U9 -75% of match time, U10 to U11 - 50% of match time, U12 to U16 - 25% to 50% of match time.
- Emphasising and praising effort
- Acting as a good role models
- Insisting on **Fair Play** (we will take off offending players)
- Being realistic with our expectations
- Being aware of children’s feelings
- Teaching players to respect different cultures
- Teaching players that standards of behaviour are just as important as winning

Best Practice-Coaches

In keeping children and young people at the forefront of planning and practice, our coaches can be confident that participants will enjoy their football experiences and that their actions are regarded as safe and in keeping with the principle that the safety and welfare of children is of paramount consideration.

Our Coaches are given a position of trust by parents/guardians and players, and are expected to operate to the highest standards of behaviour whilst in the company of under age players (under 18years). Our coaches are also expected not to engage in any activity that could reasonably be viewed as bringing the club or soccer in general into disrepute.

It is important to for our coaches to note that in adhering to these guidelines ensures not only a safe environment for children but also a safe environment in which coaches and volunteers can operate.

Most coaches work in an environment where it is recognised that, in a sporting context, certain types of coaching require a ‘hands on approach’, i.e., it may be necessary to support a participant in order to physically demonstrate a particular technique. This should only occur when necessary and in an open and appropriate way with the knowledge, permission and full understanding of the participant concerned and his/her parents/guardians.

Coaches must realise that certain situations or friendly actions could be misinterpreted, not only by the player, but by outsiders motivated by jealousy, dislike or mistrust and could lead to allegations of sexual misconduct or impropriety. Therefore coaches should be aware of, and avoid all situations conducive to risk.

Where possible, our coaches/volunteers should avoid:

- Spending excessive amounts of time with children away from others.
- Taking sessions alone (always employ “Two Deep” supervision).
- Taking children to their homes.
- Taking children on journeys alone in their care.

Our Coaches/volunteers should never:

- Exert undue influence over a participant in order to obtain personal benefit or reward.
- Share a room with a young person alone on away trips.
- Engage in rough physical games, sexually provocative games or allow or engage in inappropriate touching of any kind, and/or make sexually suggestive comments about or to a child.
- Use any form of corporal punishment or physical force on a young person.
- Take measurements or engage in certain types of fitness testing without the presence of another adult and permission from the Committee
- Undertake any form of therapy (hypnosis etc.) in the training of young people.

Safety

Coaches have a responsibility to ensure the safety of all players possible within the limits of their control. Therefore, coaches should seek to create a safe and enjoyable environment in which to play and train.

In this respect:

- Regular safety checks should be carried out in relation to premises, training facilities and equipment. Any problems should be brought to the attention of the Committee
- Appropriate safety rules should be adopted and implemented and protective equipment should be used in any contact training session.
- Parents/guardians should be informed of the starting and finishing times of training sessions and matches.
- A first aid kit should be available at all training sessions /matches and injuries should be recorded, with a note of action taken in relation to each one.
- Parents/Guardians should be notified of injuries/illness which their children incur while participating in any football activity
- Never play injured players.
- **Ensure that the FAI Goalpost safety policy is strictly adhered to at all times**

Further guidelines for each section of the club involved in members under the age of 18 years containing section specific information will be redrafted periodically.

These sections include the Academy section, the Schoolgirls section, the Football for all section and the Underage Schoolboys section.
