Alberta Rugby Union
Registration Policy

Effective Date: October 1, 2018
Board Approved:

Alberta Rugby Union

11759 Groat Road
Edmonton, AB T5M 3K6

Policy Statement

All individuals wishing to participate in rugby within Alberta must first be fully registered and insured through the designated Rugby Canada Member Registration platform. Registration and insurance are effective on a May 1 – April 30 cycle in any given year, (with exception of Temporary Memberships), and is payable prior to any participation.

This policy includes players, coaches, match officials, medical personnel, board members, and staff.

Each club must also register their Board of Directors, or show proof to the Rugby Alberta office of having a separate Directors and Officers insurance policy in place. This registration, along with the \$100 fee, is due on January 1 in any given year.

Rugby Alberta maintains the right to put any club or individual in default of any monetary or insurance requirements in bad standing, which can include restricting or revoking the individual or club's membership and/or registration access.

For details on dispensations, team sheets, playoffs, or any other league-specific policies and procedures, refer to the Rugby Alberta Rules & Regulations document.
