## Application Overview

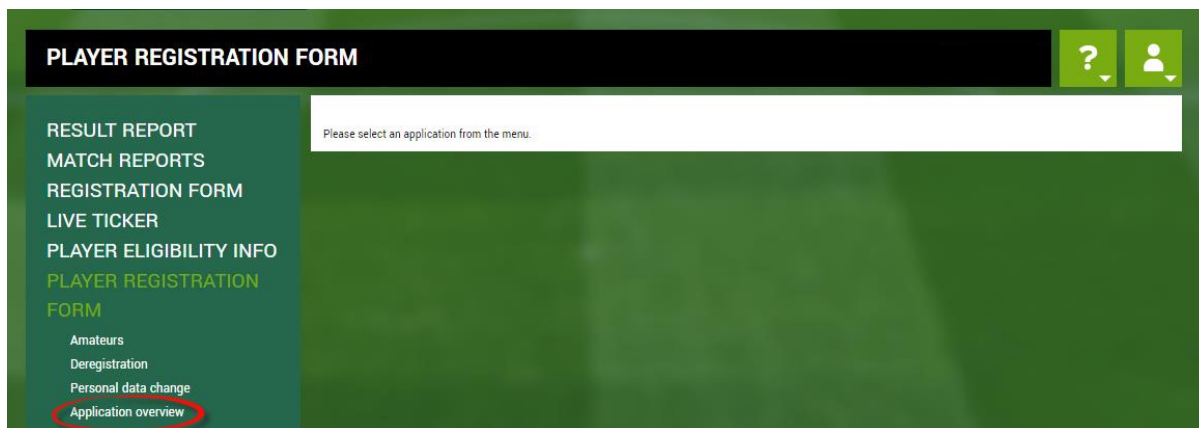

## Why this is useful?

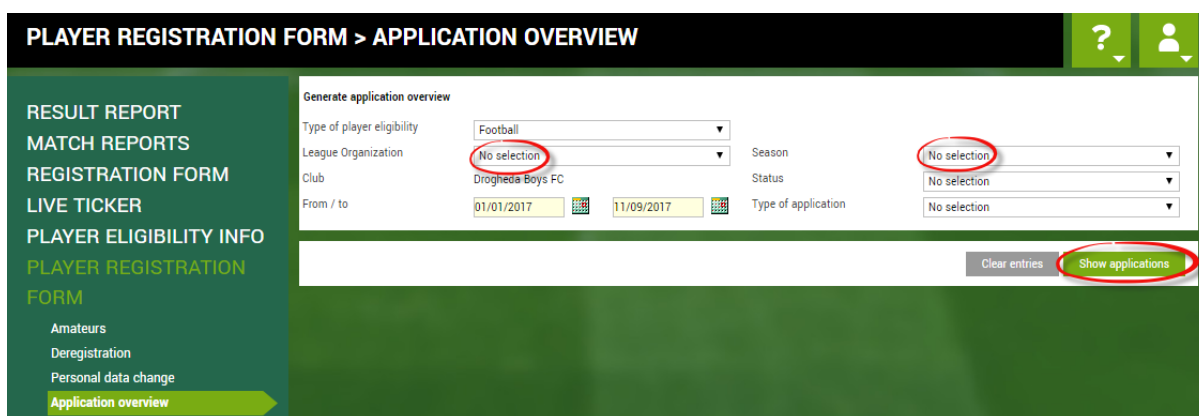

From using the Application Overview function we can check to see if our Player Registration form is In Process/Approved/Rejected.

## How to use Application Overview.

Go to the 'Player Registration Form' tab on the left column of the FAInet website. Click 'Team Registration'.

Select what League you wish to search (in the case you have teams playing in different league organisations). You can select the season in case you wanted to search for a player from a previous season. You can also filter the search through 'Status' to see if the application is In Process (not yet approved), Approved/Finished or Rejected. Click 'Show applications'.
