32. Full details on the relevant section for each relevant fixture will be available on GAA.ie. The GAA will endeavour to inform all Season Ticket holders of the

relevant section or area for each relevant match by email and/or SMS text message at least 4 days in advance of the fixture.

Unreserved Seating

34. Sections or areas that do not have reserved seating at any time are first come, first served for all fixtures. No ticket or docket will be provided for these sections and the GAA Season Ticket will be sufficient for access to the fixture via the designated Season Stile or point of entry.

Reserved Seating

35. For the majority of matches where the GAA Season Ticket Holder has access to a section or an area with reserved seating the GAA Season Ticket Holder will be requested to pre-print a ticket. Where this does not apply a ticket or docket will be issued upon passing through the Season Stile. The ticket /docket will identify the reserved seat(s) for the match. Reserved seats will be allocated on a first come, first served basis when this approach applies.

37. In the event that pre-printing is required the Ticket holder will be advised by email at least 4 days in advance of the fixture. Such notification shall set out the cut off date for reservation of seats after which GAA offers no guarantee of the availability of seats or entry to such fixture. Pre-printed seats will be allocated on a random basis. Where pre-printing is required, both the pre-printed ticket and the Season Ticket (i.e. the card) will be necessary to gain entry to the venue.
38. In the event of safety or capacity concerns the GAA reserves the right to relocate GAA Season Ticket holders on or before match day without any prior notice to the GAA Season Ticket holder.

Season Stiles

39. In order to track attendance the GAA Season Ticket holder will be required to enter each match via the Season Stile, a designated stile at each venue. The GAA Season Ticket must be scanned or recorded in the Season Stile in order to register attendance and help to guarantee access to an All-Ireland Ticket.
40. For some fixtures where a sell-out is anticipated you will be required to pre-print a print at home ticket via the Internet, at no additional charge. In such an event you will need the print at home ticket and your Season Ticket to gain entry to the venue, and you will need to ensure that your print at home ticket is scanned at the Season Stile.
41. It is the responsibility of the Season Ticket holder to ensure that they enter through an appropriate Season Stile and that their attendance is recorded. Season Ticketholders are advised to arrive at the ground at least 20 minutes prior to throw-in to ensure that they have adequate time to enter through the Season Stile and that their attendance is recorded correctly.
42. If a Season Ticket holder wishes to challenge a record of attendance, only queries sent via email from the account holders email address to seasonticket@gaa.ie no later than 10 days after the fixture in question, will be considered.
43. Full details on the location of the Season Stile at each venue will be available on GAA.ie.
