Valley Rovers Ladies Football AGM Report

Valley Rovers Ladies Football AGM was held on Friday Nov. 18th in Barrett's Bar, which was very well attended. There is great energy in the club at moment and we are striving to channel this into football success.

All coaches are now in place for each team for 2017. Coaching courses have been arranged for early in the new year & we're looking forward to a very successful new season.

Thanks to everyone who helped the club in 2016, parents, players, coaches, & committee members.

The commitment of all our volunteer coaches also has to be acknowledged and appreciated, without whom we wouldn't have teams organised as well as they are. It's also great this year to have attracted some great new people into this area. We are going through a process of coach development which started in November and this is planned to continue into the new year. This development will allow the club to take the necessary strides towards our goal of winning a senior ladies county final.

I would like to especially thank all the club committee members who have overseen the club excellently over the past while. The work of the committee cannot be underestimated and without their selfless work we cannot survive. Thanks. Well done to all our players from U8 up to our Junior team. Your participation makes it all worthwhile.

The following officers were re-elected to the committee for 2017:

John Murphy – Chairperson
Theresa Richardson - Secretary
Mark O'Sullivan – Treasurer
Teresa O'Sullivan - Registrar
Rebecca Slyne - PRO
Mary O'Brien - CWO.

Valleys U15

Valleys U15's played Cobh in their Premier 2 football league semi final last Wednesday night in Cobh. Valleys started brightly and led 1-3 to 0-2 after 15 minutes. Cobh got on top around midfield and a concession of a penalty, Cobh led at half time 2-4 to 1-4. Valleys kicked 8 wides in the first half. The second half was a close fought affair. The second half was a close fought game but the concession of two more penaltys and two black cards didn't help valleys cause. Goals from Cian Crowley and Gearoid Sweetnam had valleys back in the lead heading towards the 30 minute mark. Two points from Cobh brought it back to two points two minutes into injury time. For some unknown reason the referee decided to play eight and a half minutes of injury time and Cobh were awarded a dubious free. The free was taken to a player 2 yards away while the ref had his back turned to the play and unfortunately the ball ended up in the back of the net. A very unfortunate way for the season to end for the lads. Final score Cobh 5-10, Valleys 4-12. This has been a great season for the lads winning the hurling championship and qualifying for the football league semi final. The lads have put in a great effort all year and hopefully enjoy their well earned rest and we'll do it all again next year. Team:

On Saturday morning Valley Rovers received a delivery of 20 Tonne of topsoil to the Bleach to complete the new area of the walkway in front of the dressing rooms .To get the job done, help was needed, involving wheel barrows shovels and rakes. A large crowd came along to lend a helping hand in a fine example of Community spirit at its best. Valley rovers would like to thank everyone that came along to help out. Important Notice Re Walkway in Innishannon

"Valley Rovers regret to inform that the Walk around the Bleach, will be partly closed off over the next few weeks, to enable essential repairs to be made, following flood damage last Winter. We will keep as much of the Walk open as possible during the works but will have to close off short sections, for Health and Safety reasons. It is expected that Walk users will not be able to complete full circuits of the Walk, during the works. We regret any inconvenience caused and hope to return the Walk to full use as soon as possible".
