## Ladies Gaelic Football Injury Scheme

### Summary

- The Ladies Gaelic Football Injury Scheme covers club lady footballers, mentors and referees who are injured in the course of playing officially sanctioned matches, in club training sessions or whilst refereeing matches. Players, mentors and referees must be full club members to be covered by the Ladies Gaelic Football Injury scheme.
- Full details of the benefits and rules of the scheme can be found on [www.ladiesgaelic.ie](http://www.ladiesgaelic.ie)
- All claims are handled and assessed by the Ladies Gaelic Football Association, through the Club's Injury Claims Administrator.
- The Ladies Gaelic Football Association must be notified of an injury within 2 months of the injury occurring. Notification consists of the submission of the Ladies Gaelic Football Association preliminary claim form to the County Secretary.
- Claims will not be accepted if the injured player was not wearing a mouth-guard that carries the CE mark.
- For a claim to be accepted, the injury must be recorded in the referee's report.
- The Ladies Gaelic Football Injury Scheme covers you for non-recoverable medical expenses. This means if a player has Private Health Insurance they must make a claim for their medical costs through their medical insurance provider in the first instance and a statement of account must be obtained.
- A statement of Account is a document supplied by your medical insurer outlining the medical receipts which they have received, the amount they have contributed and any shortfall.
- There is cover of up to €5,500 for necessary medical treatment and up to €3000 for necessary dental treatment. Up to 90% of physiotherapy costs may be covered.
- Loss of wages cover is applicable to adults and to under-age players who have paid the full adult premium. Unrecoverable loss of basic wages are payable for a maximum of 20 weeks. The maximum benefit payable per week is €200.
- Claim forms can be downloaded from the Camogie website [www.ladiesgaelic.ie](http://www.ladiesgaelic.ie) or from the Club website under the **Mentor Downloads** section.
