## ADDITIONAL PERSONAL ACCIDENT COVER FOR INDIVIDUALS

Available from Aon  
Insurance Brokers & Consultants  
Metropolitan Building, James Joyce Street, Dublin 1.

### Introduction

- Compulsory insurance cover is already arranged by the IRFU on behalf of all players and rugby associated individuals. Optional additional cover is also available to Clubs on a per team basis.
- Additional cover can now be purchased by individuals as per the options outlined below. The cover is provided by Aviva Insurance Limited.
- In all cases, the policy terms, conditions and limitations follow those applicable to the Compulsory and Optional Clubs Schemes, with one exception – cover for permanent total disability operates “from gainful employment of any and every kind”.
- The IRFU stress that the cover provided by the Compulsory scheme is minimum only and it is recommended that Clubs and individuals should purchase additional cover. Whilst the current compulsory cover is far greater than the cover provided by other sporting bodies, no-one could accept that this would be sufficient to compensate a seriously injured player.

**NB:** Cover is for rugby activities only. Cover for all accidents 24 hours a day is also available at the rates shown (subject to your occupation being “Non manual”). Please contact Aon for confirmation if in doubt.
