## Secretary's Report for Courcsey Rovers Underage 2016

### Review of the Year.

The annual medal presentation party for underage teams was held in the Community Hall in Ballinspittle in January. Club President Chris Corcoran presented medals to all the players. A great night was had by all. Paudie Butler visited the club in March and gave an excellent hurling coaching demonstration in the alley which was very well attended. Also during the year Niall McIntyre, Trevor Allen and Colm Crowley visited the club and worked with our coaches. The club held an award 1 coaching course and child welfare course this year. Thanks to Brian Hayes and Anto Hegarty for their work in Ballinspittle National School this year and Tadhg O Sullivan in Ballinadee. The Club organised an underage Sports Gear order with O Neills this year. Thanks to Sean O'Callaghan, Gordan Straub, Geraldine Corcoran and Declan Walsh for this. It's good to see our young players in the Courcsey gear.

### **Fundraising**

We ran a guess the score competition for the Courcsey v Valleys intermediate match this year. We held a Church Gate collection in October. Thanks to everyone who supported these. Our summer camps are our main fundraisers for the year. We had 2 very successful camps this year with 143 children taking part in our own camp in early July and 213 children taking part in the Cul camp in August. Kerry player Colm Cooper and Cork player Seamus Harnedy attended our own camp in July. Thanks to all the coaches, helpers and everyone who contributed to running 2 very successful camps.

Well done to Sean Twomey, Aidan O Donovan and Colin Roche on representing our club with Cork Development Hurling squads this year at u16, u15 and u13 respectively.

## Minor Football East C

Our minor footballers won out the East Championship. We had wins over Crosshaven and Donoughmore before beating Tracton in the final. We lost out to Kilmacabea in the County semi-final. It's very disappointing that we failed to play a minor football league game this year. There are a couple of factors outside our control that contributed to this, very tight playing numbers early in the year and some crazy scheduling of league games in April. Also 2 games were conceded by other clubs. However as a club we need to address the lack of minor football games being played and next year the Secretary with the cooperation of the u16 and Minor Mentors needs to do more to get these games played.

## Minor Football Championship Results

Crosshaven 2-11 Courcey Rovers 5-10

Courcey Rovers 3-12 Donoughmore 0-06

## U10s

The U10s trained from February to October. Average turnout 27. The u10s competed in hurling and football blitzes at the start of the year entering 3, 9 a side teams in each blitz. The format changed then in the summer when the full age u10s competed in 6 football and 6 hurling league games and the u9s played challenge games. The u10s competed well in all their league games. We also hosted an u10 hurling tournament for the Jeremiah Keohane trophy. Sliabh Rua, Ballinhassig and Valley Rovers competed for the trophy with Valleys winning out.

## U8S

The u8s trained from February to October this year. They took part in hurling and football blitzes throughout the year and had good turnouts at both training and the blitzes. The u7 group on their own also took part in some u7 only blitzes. The u8 group as a whole also went up to Pairc Ui Rinn on a bus trip for a Centra Skills day where they got to meet inter county stars. Thanks to JJ and Anto for this opportunity which was very much enjoyed.

# Courcey Rovers Under Age Club

## U6S

We have 19 u6s registered with the club this year. They trained Saturday mornings from April to October. They showed great enthusiasm for both hurling and football.

## Thanks.

I wish to thank all the team trainers and mentors for their time and effort during the year. Thanks for your help in organising fixtures. Please remember to text details of all challenge games as permission needs to be obtained from the board for all challenge games at every age for insurance purposes. Also pitches and alley needs to be booked for games and training sessions. This enables Mary Nyhan to manage availability which is getting harder each year with increasing numbers in our club. Thanks to Mary for doing this. Also please text all results from u11 up as the results need to be sent in on the day of each game by text message. I also wish to thank all the support coaches who came down during the year and the u16 players who helped out with training as well. Thanks also to Richard Sweetnam for refereeing u10 and u11 games during the year.

Thanks to my fellow officers Sean O Callaghan, Niall Murphy, Gordan Straub and Geraldine Corcoran for their support and work during the year. Thanks also to the Adult club officers John O 'Donoghue, Mary Nyhan, Ann Corcoran and Vince Hurley for all their help for the Underage Club this year. Thanks to Neilie Collins, Teddy Nyhan and everyone who helps maintain the grounds and facilities. Visiting teams always comment on how excellent our facilities are. Thanks to Mary Nyhan our delegate for going to the East Board meetings at the start of the year.

## Finally

I've enjoyed fulfilling the secretary's role this year and I hope our club continues to provide enjoyment to young and old in our parish in the year ahead.
