Description: Franklin Pierce University Women's Rugby Club is a student run club sport. We are a Division II team with the Rugby Northeast Conference. The club was founded in 2006 and has continued to prosper since then. This year, we almost made it to playoffs, we missed the cut off by a couple of points and came in 5th place at this year's Beast of the East Rugby Tournament in Portsmouth, RI. We play both a fall and spring season with our fall season being our main season. We strive to make sure that we are consistently playing good, clean rugby. Off the field, the team participates in study sessions, fundraisers, and various community service activities.
