

Rugby Equipment Sales

Advantage Sports is a small and growing rugby retailer. We are seeking motivated individuals for sales inventory, shipping, and logistics.

Sales will involve servicing phone and internet customers as well as face-to-face sales at events. The right candidate would eventually grow into calling on teams for team sales. Some sales can be done at customer locations or on the phone so working remotely for some of the time may be possible. Travel and weekends will be required.

Warehouse duties will require regular travel to our Somersworth, NH location. The number of days per week required will depend on demand and event schedules.

Skills and experience we are seeking:

- The ideal candidate would have played rugby in the past and have some knowledge of rugby equipment
- Ability to work independently and get things done as well as function as part of a team
- Effective communication and customer service skills
- Business writing and math skills
- Computer skills
- Good organizational skills

The following are required:

- Ability to lift heavy boxes and equipment
- Driver's license (experience towing a trailer is a plus)
- Reliable transportation

Experience in sales and/or retail would be helpful but not a requirement. We will consider someone looking for an entry-level position from which to launch a career. Experience with shipping and receiving would be a plus.

Please forward resume and contact details via email to Bob Winchester at bob@advantagerugby.com.
