

## Western New England University

Head Men's Rugby Coach Club Sport (Part-Time Position) Western New England University is seeking applications for a part-time Head Rugby Coach.

The Western New England University Rugby Club is moving into its ninth year as an affiliated school club and has been nationally ranked in both 15s and 7s. As the head coach, this position will be responsible for overseeing the men's rugby program in areas of recruitment and retention of student-athletes, organization, administration, coaching and practice planning (skill development and strategy), and fund raising while reporting to the Office of Student Activities and Leadership Development.

Prior coaching and competitive experience is encouraged. The successful candidate must have obtained a bachelor's degree and have a strong commitment to his/her player's academic success and priorities. A strong focus on holistic student development is required. Must have completed USA Rugby level 1 and 2 coaching certifications at time of hire. Review of applications begins immediately. Please send résumé and cover letter to Tom Donovan, Assistant Director of Student Activities and Leadership Development at [tomas.donovan@wne.edu](mailto:tomas.donovan@wne.edu).

Compensation: Negotiable stipend paid at the conclusion of the academic year.
