

MAD RIVER-STOWE RFC

Rugby coaching position available

Mad River-Stowe RFC, a member of NERFU Division 3, is seeking candidates for a head coaching position for the upcoming spring/summer and fall season.

Candidates should have rugby coaching experience and ideally be Level 2 or 3 Certified. Additional experience in 7's coaching would be useful as this is an area we hope to develop.

Our geographical location is well suited for those with interest in the outdoor recreation, like skiing, hiking, biking, and of course, rugby.

Mad River RFC can offer help with area employment and assistance in finding housing if necessary. We can also offer a small salary to offset expenses.

We are a fun loving club with a great core group committed to continued improvement and development of rugby skills and culture, both on the pitch and off. We currently train once a week, Thursday nights at 6pm in Stowe, VT. A social spring schedule, which includes a short southern tour in May and culminates with us hosting the Mad River Tournament in late June, is fun and more relaxed. Fall schedule is from September through November and is the more intense league season.

Please email Don Allen at dmurdoallen@gmail.com with questions or to apply.

Thanks, Don Allen

Club President
