

Job Summary: The Portland Women's Rugby Club is looking for an enthusiastic and knowledgeable rugby coach or coaches to begin Spring 2018.

Required:

- Must have minimum of level 200 USA Rugby Coaching Certification or be willing to obtain prior to season start. Be eligible for USA Rugby CIPP registration.
- Develop sustainable culture of accountability and competitiveness.
- Ability to attend all trainings and matches.
- Ensure that sessions are designed to grow and develop safety, skills, and understanding of both new and experienced players.
- Ability to effectively communicate with other coaches, captain, and players.
- Ability to provide constructive feedback and encouragement individually and collectively to players of all skill levels and positions.
- Develop team growth and community involvement.
- Willingness to assist with recruitment and retention of players.
- Work closely with captain regarding team growth and goals.
- Ability to work effectively with team executive board, assisting when needed, on club development and planning.

About Portland Women's Rugby: Portland Women's Rugby Club was founded in the 1970's by several women still central to rugby in Maine. The team is a diverse group of women with all backgrounds of rugby, driven to improve and grow our club. Currently, Portland competes in division II of the New England Rugby Football Union (NERFU), playing 15's during the Fall and Spring seasons. The team typically practices 2x/week with matches on Saturday.

Location: Portland, Maine with travel required to some matches (typically MA, VT, RI). Portland, Maine is a wonderful small city with fabulous food, museums, and shops. Beaches, mountains, and forests are easily accessible.

Submission Process: Please email a cover letter and resume to hkein15@gmail.com. References from co-coaches and players are strongly encouraged.
