SPRINGFIELD, MA 01109

AMERICAN INTERNATIONAL COLLEGE MEN'S RUGBY SEEKING QUALIFIED
ASSISTANT COACH

AIC Men's Rugby (East Coast Rugby Conference – D1 – AA) is seeking to bring on a volunteer assistant coach starting February 2017. Qualified candidates must have a background in high level collegiate/club/international play and/or coaching. Must be able to pass a background check. A U.S. driver's license and ability to get Van Driver certified is a plus.

Duties include, but are not limited to:

- Assisting with the development and execution of practice/game plans.
- Furthering the development of players.
- Serving as a strong role model and mentor for collegiate students.
- Film analysis and recruiting help, as desired.

As this is a volunteer position, it is what the individual makes of it. Involvement can vary from once a week to every day. This position is perfect for an individual looking to transition from playing to coaching or for an experienced coach that is too busy to lead a team of their own.

All interested candidates should send a cover letter/resume to Coach Rob Guiry at Rob.Guiry@aic.edu

Thank you.
