

## 2. B-side Forfeiture Penalty:

Teams required to field a second side (B-side) that fail to do so will be penalized as follows:

- Reports of B-side forfeits will be submitted to the Division Director
- The A-side will be noted as having received the -1 point forfeit
- Teams with repeated B-side forfeits may be ineligible for promotion, as well as considered for relegation by Division Directors and Executive Director.
- B-side matches are defined as 15 v 15, with a minimum of 20 minute halves

The B-side forfeiture penalty may be waived when, and only when, both teams agree not to play a B-side match. This agreement must be finalized and communicated to the Division Director (both clubs must communicate the decision) via email/phone call no later than 5pm (EST) on the Wednesday before the scheduled match.
