**Please note the rule addition for 2017 tournament as discussed at the Post Primary schools AGM back in May 2017**

**\*\*\*In addition to the underarm catch and throw players use on the second touch. Players are now allowed to also catch and throw the ball from above their heads similar to a volley movement used in volleyball. If the ball is caught above the head the player can choose to bring it down for the underarm throw as normal or use the new catch and throw to speed up the game. Players will not be allowed to catch it behind the head and throw like a soccer throw in. Any questions please contact Conor 0870997659**
