U6s; Deirdre Conor, Des Maughan, Avril Reilly and various parents

Once again our year started in January with our presentation night, it proved to be a great success once again, and a special word of thanks to our special guest on the night John Maughan. Award winners for the year 2010 were as follows; U10s: Lorcan Loftus, U11s: Daragh Gill, U12s: Conor Rowland, U13s; Kevin Murphy, U14 Dr Loftus award for most promising player; Daragh McCormack, U15 & Freddy Canavan Cup; Patrick Gilroy, U16; Jason Murphy, U18s; Kevin Mulhern.

I would like to thank each coach for all the effort and commitment they have given to their respective teams throughout 2011. This year our U16 team took the spotlight winning a county league title, the first county title at this age group since 1991, and also the North Mayo B title. Our National School team won the north Mayo B title, and our U11s won a trophy in a newly set up North Mayo U11 league under Go Games rules. It is great when a team is rewarded by winning something, however not every team can win and those of us working closely with the young players can see them develop and improve. So well done and keep up the good work.

U6s & U8's, training commenced in April and ended in October. They took part in 'Go Games' blitzes and also had several challenge games during the summer. There are great numbers attending the training sessions and well done to those of you parents who are staying on and helping out our coaches. We finished the year with a blitz and there was pizza, chips and medals for all in the club rooms. Well done to all involved.

2011 Under 14s

U14s. Started early in the year playing in a very competitive Division 1 of the county league. The tough games stood to them though and they improved during the year, reaching the North Mayo A final where we lost out to Belmullet. We then competed in the county B championship, where we qualified for the county semi final where Ballina proved just a step too far for the team. We also reached the quarter final of the Feile Mayo competition, again losing out by the narrowest of margins.

2011 Under 16s

2011 U16s North Mayo B Championship winners & Mayo League Division 3 winners.

U16s played in Division 3 of the county league, and finished 2nd, they then defeated Naomh Padraig in a tightly contested semi-final. The final was played mid-august in MacHale Park, Castlebar against Moy Davitts. Again this was a keenly contested affair and ended all square. The final was replayed on the 25th of September and proved to be well worth the wait. Crossmolina triumphed in a very entertaining and high scoring game. The final score line, Crossmolina 6-06 Moy Davitts 3-09, this was the first county title for the club at U16 level since 1991. In the North Mayo B Championship we contested the final against Naomh Padraig in Moygownagh. As with the league semi-final this proved to be a very keen contest and Crossmolina did well to secure the title with a strong finish. Our U16 team then contested in the County U16 B Championship, winning one and losing out in 2 of the games. It proved to be a long but fruitful season for our U16 team.

2011 Under 18s

U18s competed very well in Division 2 of the county league and made steady progress throughout the year, they reached the league final. Injury had robbed the team of a few of our established players but the team that took to the field represented the club very well, being unlucky to lose out to a more clinical Ballintubber.

Our minor team also competed well in the county summer league reaching the semi-final where we lost out to Ballina. Competed in the north Mayo A championship and had a fine win over knockmore to reach the decider, where Ballina proved just a little too strong despite a fully committed performance.
