Hockey Ireland
Cup Competition Finals 2020

Message from Hockey Ireland President

On behalf of Hockey Ireland, I would like to welcome the players to UCD Hockey Pitch for this day of Cup Finals. The Women's Junior Cup and the Women's Hockey Challenge will be hard fought for. It is a great achievement in getting to a National Final and you should all be very proud of that success. It is not every year that your club reaches this pinnacle of success so you should go all out and enjoy this special day regardless of the result.

This is also a great occasion for all appointed umpires and technical table delegates, and this is a reward for all the work you put in throughout the year. I thank you all for your time and commitment to the sport of hockey.

These Cup Finals require careful planning particularly this year in unprecedented times due to Covid19 and I would like to thank the Cup Competitions Committee along with the staff of Hockey Ireland for all their efforts throughout the season and into today's Finals, enabling the teams to play these finals in a safe and organised venue.

It is great to see all parts of Ireland represented in the Cup Competitions Finals this year and I wish you all the best. Keep safe.

Martin Canniffe, President Hockey Ireland.
