

# Courcey Rovers Underage 2018

## General Information

### Correct Hurley Size

Using a Hurley that is too long hinders a child's skill development. When a child's hands are straight by his side and the boss of the Hurley is touching the ground the top of the Hurley should be at his wrist. For faster, more effective improvement of your child's skills and control of the sliothar, please use the correct size of Hurley.  
*Please ask your child's trainer if you need advice.*

The wearing of **mouth guards** is compulsory when playing Gaelic Football. Children will need a container with their name on it to store their mouth guard.

Parents are asked to support the **Summer Camp** as it is the underage clubs main fundraiser for the year. This is to be held from **Monday 2<sup>nd</sup> July to Thursday 5<sup>th</sup> July.**

The Courcey Rovers Cul Camp will be held from **Monday 13<sup>th</sup> August to the Friday 17<sup>th</sup> August.**

Children will be training on the **Astroturf** facility during the year. The wearing of studs on the Astroturf is prohibited. Trainers will inform parents of times that a child will be required to wear runners or maybe required to bring both runners and boots to training.

You can **follow** the activities of the club throughout the year on the following media:
