

## Fixtures for next weekend

We would like to take this opportunity to thank our clubs, officers and supporters for all their co-operation and support throughout this strange time. Everything has changed for us as a Fixtures Committee, now we are asked to keep our supporters out of our games, when naturally we would be trying to encourage supporters to cheer on their teams.

But we must all try and keep our communities safe and as you are all aware the GAA is at the heart of every parish in North Kerry. So until this passes we ask that all patrons obey the guidelines of the H.S.E, we would encourage our youth to try and assist with modern technology within your homes and help us bring our games into your sitting rooms and kitchens until we can all be together again.

### Streaming

As of going to print the situation stands that there will still be no supporters allowed into our games the North Kerry Football Board have the intention of streaming live all Quarter Finals were possible.

There will be further updates on this in our Social Media sites and in the local Print Press.
